INTRODUCTION

Roughgarden (2013) wrote a great introduction, which I am referencing here to demonstrate an in-text citation.

References

CHAPTER 1

The title of the first chapter

A sentence with a parenthetical citation (Roughgarden, 2013).

1.1 Subsection

Figure 1.1: An example fish.

	Fish	Other
Fish	Yes	Maybe
Other	Maybe	No

Table 1.1: How to tell if something is a fish.

It is easy to reference figures (e.g. Fig. 1.1) or tables (Table 1.1) without needing to number them manually.
