Presentation date/forum here

1 Introduction

- As of January 2021, this handout template contains all the same formatting details/commands as the [Pomona Linguistics LaTeX template](#).
- If you want to learn how to use LaTeX for Pomona Linguistics, please see the [Pomona Linguistics Quick Reference Guide](#).

1.1 THE ONLY CHANGE

The only change between this template and the other ones for Pomona Linguistics is that the section headers are reformatted to look like these. Otherwise the templates use the same packages/commands. Well, this is also 12pt font.

1.1.1 This is a subsection

It's also gray. But no small caps.
